

Buddy Badge – Mob Buddy Scheme

Joey Scout Mobs can get together, share activities and have great fun. One Mob visits the other, who then returns the visit. Special activities are held when Mobs visit. Later, this could progress to sharing an outdoor activity, sleepover or Mob holiday. You can have a ‘virtual’ Mob buddy scheme by using the Internet.

The Mob who you Buddy with can be any Mob, inside or outside your District.

Mob Buddy Scheme Requirements		Date	JSL Sign Off
1	Your Mob (Mob A) visits another Mob (Mob B).		
2	Mob B then visits Mob A (These visits can be for any activity at all, but it’s a good idea to try to make them special nights. Of course, it doesn’t matter who visits first, as long as each Mob visits each other).		
3	Both Mobs share an outdoor activity, sleepover or Mob holiday. That’s it! (Hopefully you will continue to be Buddies and enjoy other occasions together).
