

Joey Scout Badges

Care and Share Activity

This activity may be run by your branch to develop the Joey Scout an understanding of Caring and Sharing and to add the Scouting agenda to the local community. Great publicity opportunities are provided. Each Mob plans and runs programs for one month that focuses on caring and sharing. In the Greater Western Sydney region November is care and share month. As a highlight, a special deed is done for the local community. Badges and certificates are available for this special activity.
